

General Contracting

APEX BUILDING GROUP is a Harlem based full service licensed, insured & bonded general contracting firm that consistently delivers high quality affordable multi-unit residential & commercial properties. We specialize in new construction & occupied gut rehabs in urban communities with minimal disruption to tenants.

Our team has over 30 years of experience in building structures from the ground up, as well as providing innovative solutions for complex & unexpected conditions without increasing cost & time. Our goal is to ensure client satisfaction by offering superior service at a competitive price.

Expertise: We specialize in providing innovative solutions for complex projects & have extensive experience in renovating occupied buildings with minimum disruption.

What sets us apart: Our buildings reflect superior workmanship, modern amenities & cost savings to maintain affordability.

Value: To save time & cost, we utilize CPM scheduling to monitor project activities, resources & milestones to ensure maximum productivity & efficiency.

Leadership: A full time expert supervisor oversees our best in class team for each job. Our management team maintains a hands-on approach throughout the entire project & constantly monitors performance.

Safety first: Our safety guidelines are more stringent than OSHA requirements to ensure the safety of people, worksite & equipment.

Sustainability: We are committed to environmental responsibility by utilizing energy efficient & renewable materials that reduce costs, waste & carbon footprint.

Community: We are dedicated to helping communities thrive & prosper by not only building modern mixed use housing, commercial & community facilities, but also providing economic opportunities for local residents.
